2024 USNA Convention

Our Board members are hard at work planning a convention that all will enjoy. We want to create something that will benefit nursing students and also be an enjoyable experience! If there is something you'd like to see featured at our convention, please email us your suggestions at

**Happy Pride

USNA would like to wish a happy pride month to everyone! We hope you all join us in celebrating our members of the LGBTQIA+ community.

Know Someone Who'd Like to Sponsor USNA?

Sponsors make our convention possible each year! With our sponsors' help, we are able to provide valuable information using our exhibitors and speakers, provide gift bags for attendees using donated supplies, and provide a great networking opportunity for future Utah nurses and current employers. If you or someone you know is interested, please contact Nelson Mandella via email at vicepresident2@utahstudentnurse.org

Nursing School Survival Guide

USNA is looking to add a new section to our newsletter called Nursing School Survival Guide. We'd like to hear from current nursing students about their experience and how they keep their cool while learning so much! Nursing school is tough and with this new addition to the newsletter we hope to offer some insight into everyone else's experience to show each of you you're not alone!

Want To Be A Part Of It?

Please submit your Nursing School Survival Tips along with a picture of you, your name, and school for a chance to be featured in our newsletter! Email us at
